

Sponsorship Opportunity 2022 Pagoda & Duryea Hillclimbs

Re: Hillclimb Sponsorship Opportunity

We would like you to consider being a sponsor of this year's Pagoda and Duryea Hillclimbs being held in Reading, Pennsylvania on June 25 - 26 and August 20 - 21.

This year, the Blue Mountain Region of SCCA will be hosting the 70th running of the hillclimbs in Reading. The hillclimbs are a Sports Car Club Association (SCCA) sanctioned Time Trial event. Over the years, well over a thousand racers have participated in the events - not to mention the thousands of volunteers, family and friends and spectators. The Reading Hillclimbs are known in the racing community throughout the United States and gaining recognition around the world. During the 2021 events, there was so much interest to participate in these events, that we had people on waiting lists. In the end, there were more than 215 drivers participating. They came from up and down the east coast - from New Hampshire down to Florida and out to Pittsburgh and Ohio.

Each hillclimb event is held on a Saturday and Sunday and draws an ever increasing amount of spectators from the local communities, local and state politicians, as well as news coverage - TV, newspaper, radio and internet.

BMR also has very strong links to the local communities; supporting local associations - from first responders, to Reading Department of Recreation, Pagoda Skyline Inc - a non-profit organization supporting the Reading Pagoda preservation and clean-up activities in City Park, and many others. We are very proud of our community involvement as well as the achievements of our racers and volunteers. There are, however, many expenses connected with hosting the Pagoda and Duryea Hillclimbs each year and we rely solely on our own fundraising events and the support of businesses like yours and are hoping that you would consider becoming a sponsor of this year's Pagoda and Duryea Hillclimbs.

The enclosed Sponsorship Form offers a wide assortment of sponsorship opportunities and what we are willing to do for you for your sponsorship. We do hope that this is something you might be willing to consider and welcome the opportunity to speak with you further about any of these levels or other sponsorship opportunities.

Thank you for giving this your consideration.
